

Most of you probably have already received this information, but we are resending because we now have an updated email list, and a few updated details. Bear with us as we get it all ironed out....

We are writing about our 2024 reunion in Honolulu. Although the official registration will not be available until spring of 2024, we wanted to let all of you know that we now have exact dates and a contract with a hotel.

Some of you are anxious to look for the best airfare so here are the dates so you may begin to plan.

Our reunion begins on Sunday, September 15 for 6 nights, checking out on Saturday, September 21. You have the option to arrive three days prior to 9/15 or stay on for three days after 9/21 at the same negotiated rate.

The itinerary is not finalized, it but will be nailed down for our spring registration.

Although we will not have any official activities on Sunday, September 15th, we will kick off our reunion with a circle island tour bright and early Monday morning and end with a welcome dinner that evening. Probably best to fly in on Sunday...or even before... to be bright-eyed and bushy-tailed for Monday. Good time to relax, have a light meal, and catch up with buddies.

Our hotel is the "TWIN FIN." Please visit their website to see photos and read about the amenities the hotel has to offer. It is directly across from the beach on the quieter end of Waikiki, near the zoo.

We have a very good deal at the Twin Fin. Our total room rate will be \$246.54. This includes the following:

- Room Rate of \$199.00 – Standard - Partial Ocean View Room
- Breakfast every morning (usually a \$40.00+ upcharge)
- Resort Fee of \$10.00 (the standard fee is usually \$51.00)

Includes: In room coffee maker, in room safe, in room wi-fi, pool/beach towels, fitness center use, toll free and local calls – up to 60 minutes, sunscreen upon

request, two refillable water bottles to use at filtered water stations, *3 Beach Candy credits per person per stay*

- Total Taxes \$37.54

**ADDITIONAL RESORT FEE INFORMATION:** When booking, the \$10.00 resort fee will not show as part of your room total amount. The \$10.00 a day fee, plus taxes will be part of your final bill when you check out. Also, because our resort fee is highly discounted, please ignore the hotel's description of resort fee amenities when booking. Our resort amenities are listed above.

Our booking link is now active, and you can start booking online using this link:

**Do not call the hotel directly: use the link above.**

Bedding Type is based on true inventory so if it is not showing up on the link that just means they are sold out in that bedding type (King or Two Doubles). Book early if you want a King!

Upgrade requests... The hotel has added the discounted group rates for their higher categories onto the booking link. If you would like to book an Ocean View, Ocean Front or Jr Suite the discounted rates will be listed. These rates are subject to availability. These rates also include daily Coconut Club breakfast and all other amenities listed above.
