

Reunion Update #4

Hello Shipmates,

Let's get those reunion registrations to the Browards as soon as possible. Only **25 days** till the cut-off of May 10, 2024.

We have a great group registered...32 completed thus far. We are expecting at least another 50 attendees who have made hotel reservations and should be sending in their registration documents soon. Hopefully, more of you will decide to join us for this once in a lifetime reunion in Hawaii.

If you have ANY questions please email or call me at 707 282 9097.

A word about the SECNAV5512 form.

The form, with its instructions, is available on our website; it was also sent as an attachment in the 1st registration packet. If you cannot find it, please let me know and I will resend it to you.

YES...Every individual attending our Pearl Harbor Experience needs to be vetted by base security at Pearl. I will be sending in the SECNAVs in May along with all copies of your required IDs.

ONLY those who are RETIRED from the NAVY, and have proper IDs are exempt from filling out the SECNAV.

So please...Read the instructions carefully, and do not forget to attach copies of your IDs.

I plan on completing the bookings for our activities shortly after the cut-off date. I cannot accept late registrations for events that require buses and tickets.

Decisions on Strauss merchandise have been made. I will send out all that information and begin taking orders the latter part of May.

That is about it for now.

Looking forward to September.

Let's keep those registrations coming in.

Thanks.

Vicki
